the contemporary spanish american novel provides an accessible introduction to an important world literature while many of the authors covered aira bolaño castellanos moya vásquez are gaining an increasing readership in english and are frequently taught there is sparse criticism in english beyond book reviews this book provides the guidance necessary for a more sophisticated and contextualized understanding of these authors and their works underestimated or unfamiliar spanish american novels and novelists are introduced through conceptually rigorous essays sections on each writer include the author s reception in their native country spanish america and spain biographical history a critical examination of their work including key themes and conceptual concerns translation history scholarly reception the contemporary spanish american novel offers an authoritative guide to a rich and varied novelistic tradition it covers all demographic areas including united states latino authors in exploring the diversity of this literature and its major themes such as exile migration and gender representation

a choice outstanding academic book modernismo arose in spanish american literature as a confrontation with and a response to modernizing forces that were transforming spanish american society in the later nineteenth century in this book cathy l jrade undertakes a full exploration of the modernista project and shows how it provided a foundation for trends and movements that have continued to shape literary production in spanish america throughout the twentieth century jrade opens with a systematic consideration of the development of modernismo and then proceeds with detailed analyses of works poetry narrative and essays that typified and altered the movement s course in this way she situates the writing of key authors such as rubén darío josé martí and leopoldo lugones within the overall modernista project and traces modernismo s influence on subsequent generations of writers jrade s analysis reclaims the power of the visionary stance taken by these creative intellectuals she firmly abolishes any lingering tendency to associate modernismo with affectation and effete elegance revealing instead how the modernistas new literary language expressed their profound political and epistemological concerns

an often overshadowed event in american military history the spanish american war began as a humanitarian effort on the part of the united states to provide military assistance for the liberation of cuba from spanish domination at the time no one knew that this simple premise would result in an american empire through extensive research mark barnes has created a comprehensive annotated bibliography detailing this globally significant conflict and its aftermath insightful notes are included for every title in each chronologically organized chapter by drawing together an impressive collection of sources including some previously not readily available to english language readers barnes has created an invaluable resource for scholars of this conflict

routledge research guides to american military studies provide concise annotated bibliographies to the major areas and events in american military history with the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency comprehensive concise and current routledge research guides to american military studies are an essential research tool for any historian

this book provides a new interpretation of spanish american independence emphasising political processes

a splendid little war that s how one contemporary observer described the spanish american war a war that is arguably one of the most important wars ever fought the duration was short and the victory decisive thus little and splendid the latter at least from the victor s point of view the impacts of the war however were anything but little in fact the aftermath of the spanish american war is still affecting global affairs today the dominant superpowers of 1898 watched as a new player on the international scene the united states shifted its ideology from isolationism to expansionism and emerged as a force to reckoned with a true superpower inside you will read about prelude to war first blood the pacific theatre the caribbean theatre war s end and much more explore the spanish american war the brief but pivotal conflict that marked america s rise as a global power from battles in cuba and the philippines to the treaty of paris this war reshaped nations perfect for history enthusiasts and students of american expansion get your copy today and uncover the story of this historic turning point

the roots of the spanish american war can be traced back to the cuban struggle for independence for decades cuba had been fighting against spanish colonial rule seeking freedom from the oppressive spanish government the island s desire for independence fueled tensions between spain and the united states as americans sympathized with the cuban cause the u s had longstanding economic interests in cuba particularly in its sugar industry and many americans saw spain s harsh methods of suppression as a violation of human rights american businessmen were deeply invested in cuban trade and these economic interests further complicated the situation u s companies had substantial investments in cuban sugar tobacco and other goods as the cuban rebellion grew in intensity many americans feared the instability would affect their businesses these economic concerns played a major role in pushing the u s government to become more involved in cuban affairs ultimately leading to a more interventionist stance yellow journalism a sensationalist style of reporting also contributed to the escalation of tensions newspapers particularly those owned by william randolph hearst and joseph pulitzer published

exaggerated and often false stories about spanish atrocities in cuba these stories stirred public outrage and heightened support for the cuban rebels the press portrayed spain as a brutal oppressor pushing american sentiment toward war and making it difficult for the government to remain neutral

contains alphabetically arranged entries that provide career biographies of nearly fifty modern spanish american poets each tracing the development of the author s canon and the evolution of his or her reputation and including a bibliography of works

over 200 poems by 89 authors representing 19 countries
